WARDROBE DISPLAY FOR SALE

This traditional wardrobe combines the elegance of the old world with the function of modern technology. In a painted white linen finish, the island features a solid wood top and gold leaf accented pilasters. Accessories include pull-out shoe storage, lingerie caches and an abundance of convenient pull-outs for easy access to all of your belongings.

It's time to change our displays and Studio Becker is pleased to offer fantastic pricing on wardrobes from the Ultimate Wardrobe System that are in excellent condition.

Please contact Shi-Shi Guan at the San Francisco showroom for further information 415-255-5996 or shi-shi@sf.studiobecker.com
